Dear John:

Thank you for your letter of 11 April 1952 on Russian  
emigre affairs. It was a pleasure to hear from you.  
Inasmuch as the bulk of your remarks concern the work of  
Admiral Kirk and his Committee, I am sending your letter  
on to him for consideration.

It was good to receive your kind message of confidence  
and support. Thank you for your thoughtfulness.

Sincerely,

*W/ Bedell*
